The Department of Chemical Engineering at Northeastern University is pleased to offer you this voucher as an opportunity to obtain a waiver of the $75 graduate application fee for applicants seeking admission for Fall 2016 in our chemical engineering MS or PhD programs.

A total of 50 vouchers will be awarded. Vouchers will be awarded in the order that completed applications are received. The applicant must be a citizen or permanent resident of the United States at the time of submitting the application.

Instructions:

1) Complete the online graduate application at http://www.coe.neu.edu/gse and when asked to submit the application fee, select the ‘pay by check’ option but do not arrange to send payment. Note that if you make an electronic payment, this voucher cannot be used to receive a reimbursement.

2) The online application system (ApplyYourself) will provide you an ID number: be sure to note it down in the form below. Complete the rest of the information requested below, then email the form to coecheme@neu.edu with the subject ‘Graduate Application Fee Waiver’ or mail to the following address:
